Supamix Clear

Anti-Icing / De-Icing Liquid —

An economical anti-icer / de-icer, Supamix Clear melts ice and snow up to 3 times faster than traditional alternatives, it is more than 50% less corrosive than salt and works to -20°C.

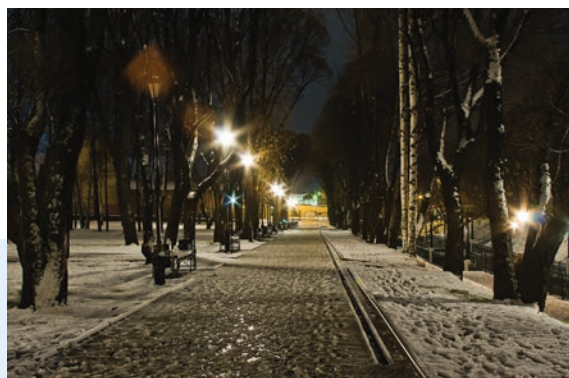

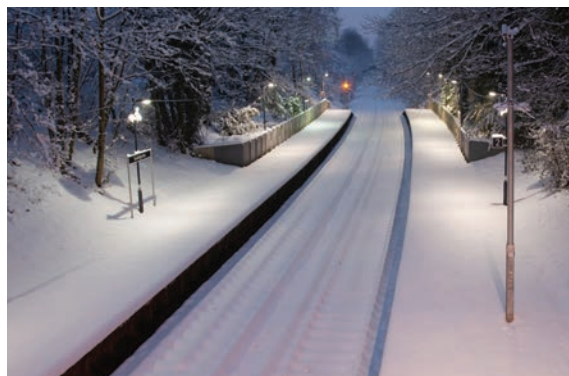

High performing at low temperatures on any surface

This high-performing de-icer is ideal for footways, cycleways, car parks, railway platforms, steps and sensitive areas down to -20°C.

We supply Supamix Clear as a ready-to-use liquid:

- 500ltr or 1,000ltr IBC's
- Bulk road tankers

Three times more powerful than salt

Works immediately on application and more effective than rock or marine salt.

Low-corrosion

Formulated with inhibitors to reduce the corrosive impacts of salt and brine to your assets.

Non-hazardous

Clear and odourless, Supamix Clear acts fast and is totally non-toxic to animals and humans.

Easy application

Apply at rates from 10ml/m² depending on conditions, using a backpack sprayer, hand pushed liquid spray unit or vehicle mounted tanks with a liquid spray bar.

Clear liquid

Supamix Clear is aesthetically pleasing, leaving no residue or mess after use.
