# SupamixBLU

## Anti-Icing / De-Icing Liquid

*An economical anti-icer / de-icer, SupamixBLU melts ice and snow up to 3 times faster than traditional alternatives, it is more than 50% less corrosive than salt and works to -20°C.*

**We supply SupamixBLU as a ready-to-use liquid:**

- 5ltr or 10ltr packs
- 500ltr or 1,000ltr IBC's

### High performing on any surface

Suitable for all outdoor areas including doorsteps, car parks, paths and driveways.

### Preventative or reactive - works immediately

Breaks down compacted snow and ice build-up – fast!

### Three times more powerful than salt

Works immediately on application and more effective than rock or marine salt.

### 50% less corrosive...

than standard de-icing salt and is totally non-toxic to animals and humans.

### Easy application

Apply at rates from 10ml/m<sup>2</sup> depending on conditions, using a backpack sprayer, hand pushed liquid spray unit or vehicle mounted tanks with a liquid spray bar.

### SupamixBLU leaves no residue or mess
